What is Takaful?

Takaful is a community pooling system based on the principles of brotherhood and mutual help wherein participants contribute in a common fund to help members who need it the most.

The concept of Takaful is inherent in the Arabic word 'takafala', which means a joint guarantee. Salient features of the system are given below:

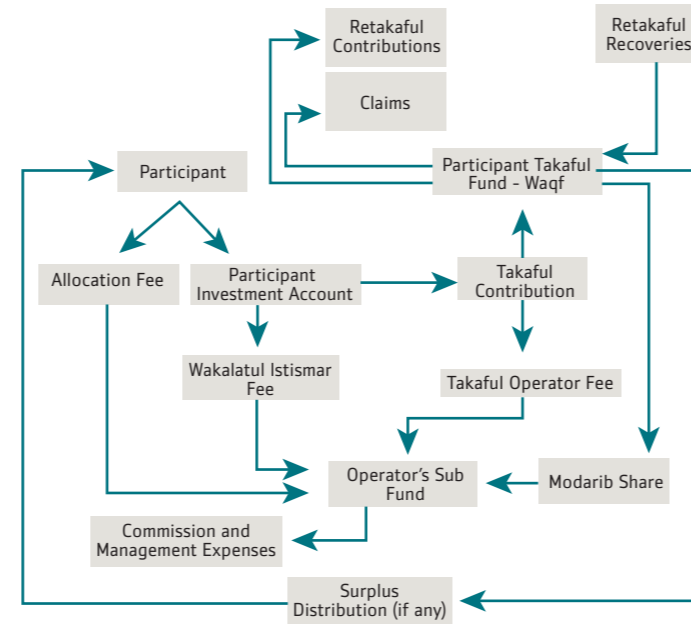

- Members donate a small amount called 'Contribution' into the Waqf Fund on the basis of 'Tabarru' to protect themselves and each other against specified risks.
- This Waqf Fund is managed by the Takaful/Window Takaful Operator who performs all its responsibilities with diligence and prudence in the capacity of a Wakeel.
- The Waqf Fund pays the claims and not the Takaful/Window Takaful Operator.
- Surplus (if any) is distributed amongst the members as per the approval of Shari'ah Advisor.

Group Family Takaful Statutory Fund

The Group Family Takaful Statutory Fund will have the following sub funds:

- Participants' Takaful Fund (PTF)
- Takaful Operator's Sub Fund
