**IGI Life - WTO
Al-Hayat Takaful Plan**

“The groundwork for all happiness is good health.” – Leigh Hunt.

We all know the importance of living healthy, but most of us find it difficult to live up to our aspirations. IGI Life Window Takaful Operations has teamed up with Vitality from South Africa to help you on the journey towards a healthier you! Al-Hayat Takaful Plan not only protects your financial future, it also rewards you for living healthy through the integrated Vitality programme.

We invite you to join over 20 million members (and growing) around the world who use Vitality to make themselves healthier, enhancing and protecting their lives.

IGI Life - WTO Al-Hayat Takaful Plan

Uniquely designed for Silkbank customers, Al Hayat plan is designed to offer Takaful benefit along with growth of funds to meet multiple savings and protection needs. The plan is being offered by IGI Life - Window Takaful Operations and has been exclusively designed for Silkbank customers. It is only available through Silkbank’s branches.

The plan consists of two core aspects:

- **Vitality:** focuses on wellness by providing you with an understanding of your current health status and incentivizes you to improve your health.
- **Takaful coverage:** caters to your need for financial security and provides investment opportunities.

What is Takaful?

Takaful is an age-old Islamic concept of mutual help and support blended with modern concepts of actuarial science, underwriting and investment under the supervision of a Shariah advisor. It is a Shariah compliant way of supporting each other in case of death or disability.

Free Look Period

If you cancel your membership within a free look period of 14 days from the date of receipt of the Participant’s Membership Document (PMD), you are entitled for a full refund of contribution less any expenses incurred by IGI Life WTO in connection with your medical or clinical examinations.

Integrated Benefit for IGI Life - WTO Al-Hayat Takaful Plan

At every 5th anniversary of the IGI Life - Window Takaful Operations Vitality Integrated Membership, an additional amount (% of the contribution) is credited to the Top-up Account as Vitality Integrated Benefit, subject to its terms and conditions. The Integrated Benefit, which accrue annually based on your IGI Life Vitality status, and the Sum Covered Multiple are credited to the Top-up Account at five-year intervals.

What is Sum Covered?

This amount is payable in the event of the death of the Participant along with any other benefits applicable. The Sum Covered is a multiple of the Basic Contribution. The following multiples will be offered to the participant:

Age	Multiples of Basic Contribution*	
	Minimum	Maximum
Up to 55	5	40
56 to 60	5	15
61 & onwards	5	5

*Disclaimer: The above multiples are subject to the Terms & Conditions.

What is Account Value?

Account Value is the amount that the investment portion of the membership is worth. The table below shows the percentages of the IGI Life Family Takaful Vitality Integrated Benefit:

Sum Covered Multiple	Status			
	Bronze	Silver	Gold	Platinum
5 to 10	0.0%	0.0%	0.0%	0.0%
11 to 20	0.0%	2.5%	5.0%	9.0%
21 and higher	0.0%	5.0%	10.0%	18.0%

The Bronze, Silver, Gold and Platinum Statuses refer to the status achieved by a member as a result of achievement of various goals and assessments / questionnaires, as set out under the terms and conditions.

Integrated benefit on Death:

In case of death, the Integrated Benefit accrued in the Top-Up Account will be given, in addition to the Death Benefit.

Integrated benefit on Disability:

In case of permanent total disability, the Integrated Benefits accrued till the date of disability, and not already credited to the Top-Up Account, will be credited to the Top-Up Account.

Integrated benefit on Surrender:

In case of full surrender, the Integrated Benefits accrued till the date of surrender, and not already credited to the Top-Up Account, will not be payable.

In case of partial surrender, the Integrated Benefit will not be credited to the Top-Up Account for that 5-year period in which the partial withdrawal was made.

Integrated benefit on Maturity:

At the time of maturity, the Integrated Benefit accrued in the Top-Up Account will be payable.

Key Benefits in the Plan

You will have the option to deposit surplus funds as Top-Up Contributions. Furthermore, the Monthly reward and Vitality Integrated Benefit will be credited to the Top-Up Account subject to certain terms and conditions.

- **Death Benefit:** In the event of death, Sum Covered or account value in Participant's Investment Account (PIA) whichever is higher i.e. Available PIA value shall be paid in first instance and if it is lesser than the sum covered then balance of difference of sum covered and PIA value shall be payable from Individual PTF.

PLUS : The accumulated account value of Top-Up Account (if any)

PLUS: The Integrated Benefit accrued but not already credited to the Top-up Account Value

PLUS : Surplus (if any) as per PTF Memberships of WTO

- **Maturity Benefit:** On completion of the membership term, the available Participant's Investment Account (PIA) value along with the account value of Top-Up Account (if any) Plus: The Integrated Benefit accrued but not already credited to the Top-up Account Value at the time of Maturity and surplus (if any) will be payable to the participant in Lump Sum.
- **Complete Surrender:** The participant has the right to fully surrender his/ her membership by redeeming all the units in the PIA. In case of complete surrender, the units will be redeemed at the prevailing bid price and the membership will be terminated.
- **Partial Withdrawal:** Partial Withdrawals can be made from the Participant Account Value (PIA) anytime during the membership term by redeeming a limited number of units as per the terms and conditions. The amount withdrawn is considered a permanent withdrawal and does not have to be repaid. A partial withdrawal will reduce the Death Benefit by the amount of partial withdrawal. The minimum amount to be withdrawn is PKR 10,000 provided that the remaining amount in the PIA account is PKR 50,000.
- **Automatic Cover Maintenance:** In case of discontinuation of contributions, the membership will not terminate until such time the PIA value or cash surrender value, as the case may be, is sufficient to cover the monthly deductions. The Integrated Benefit will not be credited to the Top-Up Account for the 5-year period in which Contribution payment was skipped. The member will be required to pay the due Contribution in a year in that Membership Year or in advance in order to avail Integrated Benefits.

Surplus Sharing

Participants of the Takaful fund as per the terms and conditions of the Waqf, may be entitled to a share of the fund in the form of Surplus.

This entitlement of surplus is in addition to the conventional benefits of the Takaful plan.

IGI- Window Takaful Operations calculates the surplus (if any) at the end of each year with the requisite approval from the Shari'ah advisor and appointed actuary.

What Additional Benefits Can Be Availed?

Apart from the above mentioned benefits, the plan allows you to choose from a range of supplementary benefits. These benefits and their respective descriptions are outlined below:

- **Waiver of Contribution - Disability:** WoC waives the future contributions in case of permanent total disability of the participant up to the end of the term of this supplementary rider. This benefit shall be payable from Individual PTF.

16

- **Additional Protection Benefit:** APB enhances the benefit payable on participant's death, whether due to accidental or non-accidental causes. The APB sum covered is payable in a single lump sum in addition to any other death benefit payable under the basic membership. This benefit shall be payable from Individual PTF.
- **Income Benefit - Death:** A monthly income benefit will be provided following the death of the participant up to the end of the elected term of this supplementary benefit. This benefit shall be payable from Individual PTF.
- **Income Benefit - Disability:** A monthly income benefit will be provided following the permanent total disability of the participant up to the end of the elected term of this supplementary benefit. This benefit shall be payable from Individual PTF.
- **Accidental Death Benefit:** ADB pays a lump sum amount in case of accidental death of the participant. In case of death due to accidental means while performing Hajj/Umrah, the ADB benefit shall be doubled without any additional contribution. This benefit shall be payable from Individual PTF.
- **Sehat Afza:** Provides financial protection in case of illness or accident that leads to hospitalization to cover in-patient expenses. This benefit shall be payable from Individual PTF.

Additional contribution will be charged for each optional supplementary benefit.

What are the Investment Strategy Choices?

You will be given the choice of creating your own investment mix by indicating in the application, the percentage of contribution you wish to allocate to buy units, in each investment strategy. The following sub-account will be offered to you:

- **Takaful Conservative Strategy:** The underlying assets include Shariah compliant government and/or other secured investments. There will be no exposure to stock market under this strategy.

Shariah Compliant Government securities and/ or
Other Shariah Compliant fixed income investments: 100%

17

- **Takaful Balanced Strategy:** This strategy seeks steady growth in capital through a combination of investments in Shariah compliant stocks, government securities and/ or other secured investments. The mix of underlying assets would be

Shariah Compliant Stock Market Funds:	0 to 40%
Shariah Compliant Government securities and/ or Other Shariah Compliant fixed income investments:	60 to 100%

- **Takaful Aggressive Strategy:** This strategy seeks to provide long term capital growth mainly through investments in Shariah Compliant equities. The mix of underlying assets here would be:

Shariah Compliant Stock Market Funds:	60 to 70%
Shariah Compliant Government securities and/ or Other Shariah Compliant fixed income investments:	30 to 40%

Under each strategy you have an investment account as listed in the application. The percentage of Contribution you wish to allocate to buy units in Participant Investment Account (PIA) should be indicated in the application.

You can manage your investments by investing your own investment strategy portfolio from a range of options to suit your needs and preferences. You will have the option to transfer between the investments accounts subject to certain conditions. Please note that investment risk shall be borne by the participant and actual maturity or surrender values may be lower or higher than the projected figures.

Eligibility & Membership Term:

The minimum entry age of the Covered person is 18 years and maximum is 65 years. The minimum membership term is 10 years subject to maximum attained age of 85 years. The supplementary benefits will terminate at the age mentioned in the supplementary benefit endorsement. It could be at an earlier date depending upon the benefit term available.

What are the Minimum or Maximum Contribution Limits?

The minimum Basic Contribution is PKR 25,000 for Non-Vitality customers and PKR 50,000 if the participant opts for the Vitality Program at membership inception with the following modes of contribution payment:

Contribution Amount in PKR

Mode	Without Vitality	With Vitality
Annual	25,000	50,000
Semi-Annual	12,500	25,000
Quarterly	-	12,500

What is the Contribution Allocation Percentage?

IGI Life Family Takaful vitality offers one of the best contribution allocations to optimize the returns on your investment. The proportion of contributions allocated to account value is as follows:

Contribution Allocation

Top-Up Contributions

The plan is a regular contribution plan but a participant may top-up the regular contribution by depositing additional funds as lump sum contribution in the PIA. These lump sum contributions, called Top-Up Amounts can be made at any time. Top-Up payments will increase the PIA account value of the membership but will not affect the Basic Sum Covered. The amount of Top-Up is subject to the minimum and maximum limits as determined by the Takaful Operator from time to time.

For Top-Up Contributions- Minimum payment is PKR 50,000 with no limit on the maximum.

Monthly Reward and Vitality Integrated Benefit:

Monthly reward and Vitality Integrated Benefit will be credited to the Top-Up Account subject to certain terms and conditions.

Contribution Indexation:

Indexation is an optional feature offered in this plan. Under this feature your contributions and sum covered will increase by a fixed amount every year leading to a better cash value accumulation and consequently a higher maturity benefit. Even once opted, you still have a right to decline the option and continue paying level contribution subject to certain terms and conditions.

Can I Cancel My Vitality Active Membership Anytime?

You can cancel your Vitality active membership at any point in time. However, once your membership is cancelled, you will have to participate in the Vitality membership again.

Can I Surrender My Membership Anytime?

You have the right to encash all the units in your account value any time after the membership at any time. In such an event, the units will be encashed at Bid Price and the membership will be terminated. A surrender processing fee will be charged at the time of surrender. In case of full Surrender of the Vitality Integrated Membership, the Integrated Benefit accrued till the date of surrender, and not already credited to the Top-Up Account, will not be payable.

Can I Withdraw Funds from My Membership?

The account value can be withdrawn partially, by encashing a limited number of units in the sub-account(s). The amount withdrawn is considered as a permanent withdrawal and does not have to be repaid. A partial withdrawal will reduce the death benefit by the amount of partial withdrawal. In case of partial withdrawal, Integrated Benefit will not be credited to the Top-Up Account for that 5-year period in which partial withdrawal was made.

For example:

Year	Vitality Status at end of each year	Partial Withdrawal during the 5-yr period	Integrated Benefit for the 5-yr period
1 - 5	Silver	Yes	No
6 - 10	Silver	No	Yes

What are the Fees and Charges* Related to this Product?
